CATHOLIC RELIEF SERVICES

People in Gaza have gone months without any fresh fruit or vegetables. Recently, CRS delivered produce to people in Khan Younis to increase their nutrition and add diversity to their diet. After months of ready-to-eat rations, these are welcome additions for the people of Gaza. Please visit www.crs.org for more information and to see how you can help! Thanks for your support! "I encourage the international community to act urgently, with all means, to come to the aid of the people of Gaza, worn out by the war... Humanitarian aid must be allowed to reach those in need, and no one can impede it." ~ Pope Francis Do you want to know more about what CRS does in and outside the US?
